WHY IMAGINE?

United's ultimate goal is to reach lives in our community with the Gospel. The IMAGINE campaign focuses on positioning United to fulfill our divine mandate, measuring success through both numerical and spiritual growth. Numerical growth tracks participation in services, events, and the impact on lives, while spiritual growth gauges individuals' deepening commitment and connection with God. In essence, growth is our pathway to reaching the community with the Gospel, and IMAGINE is the vision guiding United towards this transformative journey.

CHALLENGE

1

PARKING EXPANSION

We experience limited parking availability on Sunday mornings.

CHALLENGE

2

UNITED EDUCATION CENTER

The Wisdom House urgently needs remodeling and repairs, with challenges including inefficient use of space, limited floor plans, and small classrooms.

CHALLENGE

3

WORSHIP CENTER EXPANSION

The confined lobby space inhibits connections for both guests and members, resulting in overcrowding and security issues.

CHALLENGE

4

PLATFORM TRANSFORMATION

Our stage design, projection, and lighting systems are outdated, hindering the quality of photography and videography for our livestream and social media outreach.

United's commitment to growth extends our parking facilities. The expansion plan includes adding at least 30 new paved parking spaces, ensuring convenient access to our congregation and guests during events.

UNITED SCHOOL

The IMAGINE campaign includes a visionary plan for an education center that can facilitate home-schooling co-ops or a K-12 learning center. It would not just be a school, but a place where minds are nurtured and biblical values are embraced. This ambitious endeavor reflects our commitment to providing an alternative in the face of the increasing challenges to biblical values in academic atmospheres.

PROPERTY PURCHASE

United's faith extends to the property purchase of the Sticht family parcel. While there is no fixed timeline, this strategic acquisition will unlock the potential for more building options, parking, and a larger sanctuary. It sits at the center of our property, symbolizing our belief in a future filled with possibility.

SHIP CENTER EXPANSION

United's vision for building extends beyond renovation. We aim to create modern, well-defined spaces that ensure beauty and functionality.

Safety is a top priority as we transform these spaces to cater to the diverse needs of our growing community. This grand entrance hall will provide a welcoming area to greet guests, with the option of a coffee shop and small event hosting.

DE P

FAYETTEVILLE CAMPUS

Our enthusiasm for planting a church in Fayetteville is met with strategic solutions to overcome challenges. The portable church kit seamlessly facilitates the initial phases, making set-up and tear-down in any location a breeze. A gym can be a church in less than 2 hours. This ensures that our focus remains on connecting with people and spreading the light of the Gospel.
